

Ratcliffe Chorale Present: Music for a Summer's Evening Saturday 18th June 2022, 7.30pm

The background of the poster is a vibrant, artistic composition. It features a central musical staff with several notes, rendered in a style that blends with the surrounding floral and butterfly motifs. The colors are soft and pastel, with shades of pink, orange, and yellow. Numerous butterflies in various colors (including blue, orange, and purple) are scattered throughout the scene, some appearing to fly around the musical notes. There are also several stylized flowers, including what looks like a large pink lotus-like flower in the lower right and smaller, more delicate flowers in the upper right. The overall aesthetic is light, airy, and celebratory, fitting for a summer evening event.

St Denys Church Evington LE5 6FA

Free entrance – retiring collection in aid of church funds
